

SCX-3405FW

Multi-Function Printer

Our most compact MFP lets you do your biggest things yet.

Quick 21 ppm Print Speeds

Print speeds of up to 21 ppm and first print out time of less than 14 seconds means you'll spend more time printing and less time waiting.

Compact and Quiet

The SCX-3405FW is our most compact MFP yet. With a footprint of just 15.8" W x 11.5" D x 11.7" H, it'll fit comfortably on a desk or bookshelf. And at sound levels of less than 50dBA, you won't notice it's there until you need it.

Wireless Printing

Wireless printing means you can place the compact SCX-3405FW anywhere in your office, without worrying about running cables to it. It also makes sharing the MFP with multiple computers simple.

One-Touch Wireless Setup

The SCX-3405FW's One-Touch WPS button (Wi-Fi Protected Setup) lets you connect quickly and easily. Press the WPS button on your router and the WPS button on your SCX-3405FW, and your MFP automatically configures and connects to your wireless network.

10,000-Page Monthly Duty Cycle

With a monthly duty cycle of 10,000 pages, you can count on your Samsung printer to be there for you when you need it.

ECO Button

The one-touch ECO button allows you to customize your output to save toner and paper.

One-Piece Toner Cartridge

The 1,500-page one-piece toner cartridge is simple to change, without being messy.

It's small enough to sit quietly on a bookshelf or corner of your desk, and it's large enough to generate up to 10,000 sharp, professional pages per month. The Samsung SCX-3405FW has a small footprint of just 15.8" W x 11.5" D x 11.7" H, yet is packed with the performance, durability and reliability that Samsung is known for. And features like one-touch wireless setup and an ECO button that saves you toner and paper ensure your day is more productive than ever. **Business. Innovated.**
