

SCX-4729FD • SCX-4729DW

Multi-Function Printers

Multi-function printers. For multi-tasking people.

Print, Copy, Scan, Fax

You can do it all from one, compact machine. And the pop-up numeric keypad lets you do it all easily.

Network and Wireless Models

Both printers feature easy network connectivity, while the SCX-4729DW adds one-touch wireless connectivity.

Fast 29 ppm/cpm Print/Copy Speeds

Fast print and copy speeds of up to 29 ppm/cpm and first page out times of less than 8.5 seconds (print) and less than 14 seconds (copy) means you'll spend more time printing and less time waiting.

Built-in Duplex Printing, 50-sheet ADF

Save money and time with duplex printing. You'll use paper more efficiently, without having to stop and turn the paper over. And the Automatic Document Feeder holds an above-average 50 sheets.

12,000-page Monthly Duty Cycle

With a monthly duty cycle of 12,000 pages, you can count on your Samsung printer to be there for you when you need it.

Eco Friendly

An ECO mode reduces toner usage and CO₂ emissions, while duplexing reduces paper usage. Lower power consumption saves resources and money.

One-piece Toner Cartridge

The 1,500-page one-piece toner cartridge is clean and simple to change, and 2,500-page high-yield one-piece toner cartridges are available to provide even greater value.

The Samsung SCX-4729FD/SCX-4729DW Mono Laser MFPs let you do more in less space. You can print, copy, scan and fax with the highest level of professionalism, whether you're in a small office or a small workgroup. A pop-up numeric keypad makes control simple, whether you're printing razor-sharp copies at 1,200 dpi and 29 ppm, or whether you're scanning in documents for easy faxing. A 50-sheet Automatic Document Feeder makes duplex copying/printing fast and efficient, saving you paper and money, while eco-friendly features save even more money, while saving the planet. **Business. Innovated.**
