Powerful Performance

Upgrade your work performance to the high-speed crisp image quality of the Samsung SF-560 & SF-565P laser MFPs.

- The Need for Speed Fax : With a quick 33.6 Kbps fax TX our contribution to your speed will be significant and the 2 MB of memory stores up to 160 pages of information
- Copy Capacity for Quickness : Samsung sets the pace with a remarkably fast copy speed at up to 16 pages / minute (A4) and greater paper capacity with a convenient 250-sheet cassette.
- Crisp and Confident Printing : The fastest laser print speed in its class, up to 16 pages / minute (A4) produces crisp, clear 600 x 600dpi laser images. (SF-565P only)
- Scan Speed & Scale : Approx. 6 second quick scanning and elaborate 256 level gray-scale make your productions unparalleled. (SF-565P only)

- SmarThru™ : Easy document handling software with which the scanned images can directly be sent by email, fax or converted into electronic document or HTML with just one simple click. (SF-565P only)

- Fax Dials and Battery Back-up : 20 one-touch / 80 speed dials just save you time and the 96 hour battery back-up secure your documents in case of a power failure.
- Easy Operation Panel : Make your work a breeze when you discover how easily you can handle your task with simple one-touch buttons or the clear LCD display to check its status.

The Ease of Everything

The Samsung high-tech contribution makes your SF-560 or SF-565P biz-partner easier to operate with features to better your business.

- Advanced Printing : Various editing functions like Multiple Pages per Side, Fit to Page, Poster, Watermark & Overlay will make your business documentation more professional. (SF-565P only)
- Zoom Copy & ADF : A wide zoom range of 50 ~ 150% makes your copy fit to your needs. Multi-page documents can be quickly & easily copied without handling, with the ADF (Auto document feeder) and collation features.

Economical Features

The SF-560 and SF-565P are not only competitively priced, they also have built-in features to save you money.

- Toner Save Button : Allows you to save your toner up to 40 % so you can replace cartridges less frequently and save your money.
- Toll Save Button : Programme your machine to send your faxes after peak day-time call rates go down for the evening.
- Paper Saving : Combine two or four originals on one page.

Refined & Robust Design

The SF-560 and SF-565P were designed with superior technology inside and insightful consideration for ease of use for business in the real world.

- Space-illuminating style : The refined two tone colour design white & grey brightens up any work place,

Versatile Digital Functions :
Laser Fax / Copier / Printer and Scanner
(Printer & Scanner for SF-565P)

SF-560 / SF-565P

Advanced Functions

- Fax : Fax Forward, Secure Fax
- Copy : Up to 99 page Multi-copy, Zoom copy, Collation
- Print : Various printing layouts for professional documents
- Scan : 256 level grey-scale

whilst freeing up your valuable desk space with its compact size.

- Effortless : No more fuss. Toner & paper replacement couldn't be easier with easy front-out access panels.

The SF-560 and SF-565P digital MFPs from Samsung will keep you and your business up to speed. Your **DigitAll biz-partner** is equipped to help you make it with its multi-functional solution.

**SAVE
BUTTON**

Cost Saving :
Easy one-touch buttons for toner and toll savings.
